The Marking System

Clearly identifies the business name or logo, and the article as Australian in origin.

Clearly establishes - by the distinctive Guild mark - that the article was not made by the Member, but in a workshop situation.

Records Members Marks on Fine Silver Touch plates for all time.

Provides full provenance of an article in the market place, often with subsequent evaluation.

Provides a trace to a Member in the event of an item requiring proper repair and maintenance.

Provides potential clients access to Members with specific design or technique skills.

Provides an opportunity for anybody to trace a Member's work for historical identification.

The Guilds Marking System includes the marks as shown .

Very popular range of gifts, providing historically accurate and authentic information. Quality assured.

Retail Jewellery Prices

As Of November 2006, all jewellery must be quoted and the customer must supply the ring size. No responsibility accepted if ring size incorrect. Therefore all prices below are estimates only and can vary depending on metal prices at the time of order and degree of detail of each crest or blazon.

Please add GST to final order.
